LEGISLATIVE COUNCIL BY THE CHAMBER OF COMMERCE.

members. Mr. E. Mackintosh presided.

here to-day to perform a function which is percessary owing to a concession which was granted to us some years, ago, a concession which though intrinsically of not very great value is one which I think we may look upon as an Strates, anticipation or a promise that sooner or Froh and Helter Fanet, later we shall have body given to what now consider but an empty privilege. must be conceded, I think, that the representation of the colonists in the Government of this Colony leaves a great deal to be desired, particalarly in this nineteenth contary, when an age of progress seems to be upon us, and in a Colony we can detect certain signs of progress. The

institution of the Sanitary Board and the progressive views displayed by some of the elected members of that body are indications of improvement, while the recent reported otterances of Lord Knutsford that he was unwilling to impose on Crown Colonies legislation to which those colonies were opposed is certainly a gleam of sunshine as pleasant as it was unexpected: With these indications, gentleman, I hope that in the future, and the usar future, we shall have the representation of the colonists are compelled to vote as they are directed, whother their opinions are in second with the instructions given to them or not, is I think. James Carey, 25. drammer, A. & S. High- not worthy of the present age. not hold ourselves restonable for the opinions

TO THE EDITOR OF THE "DAILY PRESS." Six,-It is my misfortune to see the Daily Press but rarely, and "A.B.'s" letter would have escaped my notice altogether if my attention had not been called to it yesterday. On ros ling "A.B.s" remarks I at once went to the church and made enquiries. The foremen senured me that no work was set by the contractor or foremen nor was any work done by the men, under them on Sunday last, but a subthat day The cooling who brought this materisi were doubtless the workmen that " A B." garractin one other occasion "work" of a somewhat similar nature has been done on a

You rightly state the facts in your leading article. The Committee has agreed to py alarge sum to aton all Sunday labour and the contractor is liable to a fine for a breach of this

part of the agreement. Now, whilst admitting, with much regret, that in spite of our precontions, "work" has thus been done on Sundays, I must draw a conclusion differing entirely from the one you reach when commenting on the incident to which "A.B. refers. At first there was some difficulty, but ever since the contractor and his foremen clearly understood our wish. I am bound to say they have carried out the arrangement in an houserable way. Of the 100 men constantly amployed on the church and manse I do not think one has been found working on the Sunday, and pertainly no man has been set to work by the foremen. An experience therefore seems to prove that i
